INSTRUCTIONS

These tokens are intended to indicate control ranges for mission objectives and the Extraction Zone for PvE Missions. For best results, print these on paper, cut them out, and glue them to thick cardboard or foamcore.

OBJECTIVES

A Unit whose base overlaps this marker is within 1" of the objective. All other rules for Controlling an objective still apply.

ACTIVATE

CONTROL

DESTROY

EXTRACTION

Use this marker for PvE Extraction. A Unit whose base overlaps this marker is within 3" of the Extraction Point. All other rules for Extraction still apply.
